

REMARKS

The Office Action indicated that the subject matter of Claims 21 and 22 would be allowed if rewritten in independent form.

Claim 21 depended from dependent Claim 11.

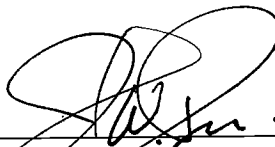

Accordingly, Claim 1 has now incorporated the indicated allowable subject matter of dependent Claim 11 and dependent Claim 21. Claim 1 is now allowable and the dependent Claims 3-10, 12-15 and 22-23 are also allowable.

After reviewing the Advisory Action, applicant has now presented the current claims consistent with the indication of allowability of claims in the Final Office Action, and it is believed that the case is now in condition for allowance and an early notification of the same is requested.

If the Examiner believes a telephone interview will assist in the prosecution of this matter, undersigned attorney can be contacted at the listed telephone number.

Very truly yours,
